JUAN SIMONET

Aire Private Jets Catering es una empresa que tiene como misión proporcionar servicios de catering para cualquier salida del aeropuerto de Palma de Mallorca

Una empresa local con una mentalidad global que trabaja para satisfacer las necesidades de todo tipo de clientes. En Aire Private Jets Catering seleccionamos los proveedores cuidadosamente para asegurar que se utilizan la mejor materia prima y productos locales.

El alcance y conocimiento de nuestros chefs es extenso, desde platos locales a cocina internacional, platos adaptados a alergias, comida vegana y vegetariana usando siempre los mejores productos disponibles.

Proporcionamos un servicios 24 horas los 365 días del año. Para asegurar que todas la ordenes de catering se entregan adecuadamente aconsejamos que las ordenes se pidan con el máximo de antelación disponible para poder así satisfacer todas las necesidades. Si eso no fuera posible en Aire Private Jets Catering haremos todo lo posible para proporcionar todo lo que se pueda en pedidos de último minuto o vuelos adelantados.

AIRE PRIVATE JETS CATERING

Aire Catering is an inflight Catering Partner who can consistently deliver you a simple and enjoyable inflight catering experience on any departure from the Palma de Mallorca Airport.

We are a local catering company with a global mentality, with an aim to meet all you and your passenger's requirements. Your inflight catering orders are prepared using the highest quality local and seasonal products, which are all sourced from our selective quality suppliers.

Our scope and knowledge of menus and meal production on a global level is extense and we can cater for all your client's needs, from traditional Mallorcan dishes to International cuisine from all countries, always using the best prime products available.

We provide a 24 hour service during the whole year, and to ensure all orders are met in a timely manner for your aircraft departure we would ask you to place your orders, with as much advanced notification possible, at least a minimum of six to eight hours before your flight departure in order to allow us a preparation margin according to the size and type of catering you may require.

However should this not be possible be assured we will do all possible to meet any late requests received, due to your passenger's special requests or your advanced flight departures.
